#### SPEAKER:

**Sandra Kuhn, MSW, LCSW**  
**Principal, Sr. Total Health Management**  
**(THM) Consultant**  
**Mercer**

A principal A principal in our Chicago office, Sandra serves as a senior Total Health Management (THM) consultant and the national leader for behavioral health consulting services, leveraging clinical and theoretical expertise as a licensed clinical social worker (LCSW).

With a long history of both generalist and specialist consulting roles, Sandra has implemented large-scale employer and public sector projects working with network and medical claims payors, pharmacy benefit managers and other specialty carve-outs. Sandra has provided clients with expertise on behavioral health programs, pharmacy benefit management and plan audit and clinical assessments. The collection of experiences allows her to assess the program as a whole, integrating and making connections between programs for cost-effective, cohesive delivery of care and favorable consumer experience.

Sandra has nearly 19 years with Mercer; the last four, part of her second endeavor. She graduated from New York University with a Bachelor of Arts degree, majoring in math and economics, and later, her Master of Social Work degree from Grand Valley State University. In an effort to optimize project management skills, Sandra has also earned a certificate of Applied Project Management from Villanova University.

This program qualifies for one (1) CEBS continuing professional education (CPE) credit. Visit [www.cebscpe.org](http://www.cebscpe.org) for more information.
